General Tariff

Scope

MarcParc inc understands the scope of this regulation applies to all transportation and transportation-related except taxicab service. We shall provide transportation and transportation related services to clients in the Washington Metropolitan Area Transit District by motor vehicle or other form or means of conveyance for hire. All vehicles used by MarcParc inc will be ADA compliant by the Washington Metropolitan Area Transit District and all services provided will be in accordance with irregular-route service for which MarcParc inc charges individual fares for expeditious transportation over designated streets and roadways or between fixed points as specified and within the scope of the certificate or authority.

Overview

MarcParc inc will follow the tariffs which govern provision of service and compensation. Consequently, MarcParc inc shall not demand, receive, or collect any compensation for any transportation or transportation-related service, except such compensation as is specified in our currently effective tariff for the transportation or transportation-related service provided.

No rebates either directly or indirectly of any compensation specified in its tariff shall be given by MarcParc inc as rebates for services are forbidden.

A copy of the general tariff and contract tariff(s) is available for inspection by the public during normal business hours at our principal place of business: 1233 20th Street, NW, Suite 104— Washington, DC 20036 and at each other place of business where MarcParc inc employs a full-time agent. MarcParc inc shall respond to reasonable inquiries regarding the contents and application of its tariffs, and upon request MarcParc inc shall render such reasonable assistance as may be necessary to enable a person to locate desired information in a tariff. MarcParc inc shall not require a person to explain the purpose of a request or to do any other act as a prerequisite to furnishing information or assistance as required by this regulation.

A printed or typewritten tariff on paper 8-1/2 inches wide by 11 inches long with a left-hand margin not less than 1-1/2 inches wide and other margins not less than 1 inch will be produced by MarcParc inc. The tariff will have any written alterations or erasures except those made and initialed by the Executive Director when required to assure compliance with this regulation or a Commission order.

Rules and Regulations

MarcParc inc has established strict rules and regulations that pertain to the operation of its shuttle bus service:

The safety and security for our patrons is our highest priority. Profit shall never take precedence over the safety of our customers (riders). Our team of professionals shall ensure that the following procedures are adhered to each day. Deviating from these policies can result in immediate termination of employment from MarcParc inc.
